COMMENTS

The designated charities this year are the Gay and Lesbian Community Centre of Edmonton Society (G.L.C.C.E.S.) and Parents, Families and Friends of Lesbians, Bisexuals, Gays and Transgenders (P.F.L.A.G.-T). Despite the difficult year monies have been raised for these charities. A first for our organization was the obtaining of a \$10,000.00, 50/50 raffle license allowing a possible \$5,000.00 to the winner and a possible \$5,000.00 to be divided between the designated charities.

As we approach the year 2000 new and creative ways and means of raising monies will need to be developed if we are to survive into the next century.

JOHN DE SMIT CITIZEN OF
THE YEAR
MEMORIAL AWARD

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the Gay community and the City of Edmonton a better place to live. This contribution although not necessarily publicly acclaimed is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John De Smit was a man at ease with life and socialised freely with everyone around him. He loved having a good time and demanded nothing from anyone. He showed the unaware that gay people are worth knowing and caring about. He was cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

JOHN M. KERR
MEMORIAL
SCHOLARSHIP FUND

The John M. Kerr Memorial Scholarship was initiated in 1984 and has, since that time, given out a minimum of two \$500.00 awards at the annual Coronation Charity Ball. Students applying for post-secondary education which will benefit the Les-Bi-Gay community of Edmonton are eligible to apply. The Fund was initiated by Empress VIII and XVII Mary Mess and is administered by the Board of Directors. This year the College of Monarchs took on the responsibility of the fundraising. Major fundraising for this year was held April 10, 1998 and was organized by Emperor VI, XVII and XX Mr. Vera.

The organizers of the Court wish the best of luck to the recipients throughout their continuing education. Last years recipients were Allie Decorte and Robert O. Cey.

I would like to thank
the City of Vancouver
for the great
hospitality that they
showed me while there
in November of 1997
for the I.C.P. step
down. I had a lot of
fun in your city and
at you bars. I was
also fortunate to meet
with the Native
Cultural people and

the Knights of Malta
while I was there.
You were all really
great and I have to
thank you for the
hospitality suite at
the Dufferin Hotel.

I would also like to
thank the staff and
patrons of The Other

Allie - You've always loved me for what I am and you've always been there for me girl. You co-hosted my shows and you spoke from your heart. You have unparalleled courage and you stick up for what is right, not just what is popular.
Marsha - my adopted drag mother, you're the first person I always turn to when I've needed help or I'm spitting blood

I trust you to tell me what I need to hear, not just what I want to hear. You're a great leader and a super mom. **Mother Jean** - my Grandmother, I've lost track of the times I have sat on your couch and said, "Mother, what do I do now? Why are they doing this?" And you were always there for me and gave me the wisest of council from your heart and soul.

Rachel - Thanks for sticking with me and having faith in our friendship over the long haul. Love you buddy. **Stephanie** - what words could possibly express my love for you my friend? You speak from the depths of your heart. Remember: "Life is tough." **Donna Lynn** - where'd you go girl?
Ty Morgan - Girl you taught me drag and you taught me how to survive in the streets and clubs. You took a half-assed, frightened little ol' tranny and helped turn her into a queen (or at least a princess!). Your talents go far beyond makeup and stage, they embrace life itself. My Empress for my life. Thank you. **Brian** - my Emperor - well it's certainly true that you and I have had our differences, but in the end we always managed to work things out. I always say: if I can't fight with my friends then they're not my friends - so I guess you and I must be best buddies!
Jackie - my Empress and sister. I hope I served you well. You saved my life in the Roost the night when you told me of your life. Thank you for being the most beautiful person that you are. I will always be there for you.
Scott - my Prince, it was one hell of a year

and not what we had dreamed it would be, but we got through it, we raised some bucks and we're still buddies. That's quite an accomplishment! **Jim S.** - "If you can't say anything nice about someone, then it's best not to say anything at all." **Thumper.** **Bev** - Bitch! Advisor! Mentor! But most of all: Friend! **Signy** - "Call me honey, that's what I'm here for." Many times did I hear those words from you, and you always came through for me when it counted. **Vivian** - my first drag daughter. Girl, if the world only knew what you and I have been through! No more needs to be said. Love you, thank you. **Dion** - words cannot express the respect I have for you as a person and a performer. You are truly a blessed and gifted person. I'm proud to call you my friend and daughter. **Wanda** - the girl with the most raucous, happy laugh I have ever heard! Daughter, you brighten up my day whenever we meet. **Auntie Endora** - for two years you have truly been an Auntie to me. I learned a lot of life and a lot of just plain good old fashioned fun from you. It should have been you girl. **Terry** - Daddy, thanks for all the behind the scenes work that so often went unacknowledged. **Sticky** - Girl I owe you more than your will ever know. When I first started you always gave me time and encouragement; you've always sup-

ported me. I appreciate your fine friendship and fair and gentle manner. **Ed and Vera** - the party pigs of the party children! God, we have had fun girls. Vera I don't know if I should thank you for turning me on to the Juice or not!? Dyna, I don't think it's possible for you to die of thirst! **Weena** - a friend in unexpected places; I've always been a bit surprised at how much you've supported me. Thank you. **Eva** - the most reliable, hard working and probably the most under-rated queen in the Court. Honey, there is so much more to you than most people will ever dream of. Don't ever change; it's tough being a sex symbol. **Vanity** - thanks for doing my shows and cheerfully pitching in to help in all sorts of ways. Girl, you're a real class person. **Mel** - it was one hell of a good ol' time getting to know you. **Bruce Lee** - "Life is tough," but I know you the grace and strength to make the best of it. Have a great year as Mr. Gay and don't let the poops get you down! **Amanda** - keep on slugging honey, I expect great things from you. **Rose and Celeste** - you've done far more for this community than most people will ever know. Thank you for standing by me in my time of special need. **Mr. and Miss Gay Calgary, Shaun and Erica** - you two have served as role models for our entire community; you personify the value of

hard work and positive energy. **Marcel** - Wigmaster to the Princess. You're truly a talented genius when it comes to hair and one hell. **Twiggy** - "Yea, you go girl!" **Toots** - What a girl, what a guy! Whatever the hell you are, you're the best! **Ida** - you're the classiest, most unpretentious queen on the circuit. Sweet heart of the realm. **Roz, Julie, Tina**, and the rest of the WomensSpace women - I'll sling shooters for you gals any old time! **Miss T** - my friend and councillor. Courage personified. **Edward Sandberg** - another good friend and councillor! Thank you for giving so freely of your time. **Fred Dicker** - provider of gentle and wise council. Master of dignity and gay pride personified. **Kate Kroft** - brave and beautiful little freedom fighter. **GLCCES & PFLAG-T Boards** - thanks for all the support from all of you this year. **Laurie Malone** - the best friend I ever had or ever will; my soul mate. **Mom and Dad** - without you none of this would have been possible. There are no written words that could adequately express my love for you both and my admiration of your courage in standing by me throughout my life, but especially in these last few years.

ALL HAWAII
EMPRESS 22 JACKIE 2 STEP**

Good Evening Visiting Monarchs, Ladies and Gentlemen, Friends and Family. This has been a very interesting and difficult year for both of us in many ways. At home in Edmonton we have had many ups and downs on many issues. Some how we survived although at times we never thought we would. A lot of private tears were shed and a lot of I'm quitting or they can take this (Fill in your own words) and do you know what with it (use your imagination). We did, however, survive. Rather than single out a number of individuals and forget to mention some we simple say to all of you who did your best to support us in your own way - **WE KNOW WHO YOU ARE - A BIG BIG THANK YOU FOR YOUR SUPPORT - WE LOVE YOU.**

As part of our duties we spent some time travelling, promoting our city. We travelled to six out of eight Canadian courts (Regina, Toronto, Vancouver, Calgary, Hamilton, Winnipeg) and two American courts (Hawaii & Portland). We met many, many fine Canadian and American monarchs. Many new friends were made. Again rather than single out individuals we simple say you are all wonderful, we have had some marvellous times. Thanks for the good memories that will remain with us. To all of you may good fortune bless you - we love all of you.

Finally to our Prince and Princess. **Scott** we know you have had a difficult year but thanks for hanging in and doing your best. **Roxy** - there are not enough words to describe what you have done for us - you were a wonderful, hard working Princess. **THANKS!**

No further comment. Silence is golden.

COURT TALK

Much Mahalo to Empress
Jackie Two-Step and Regent Emperor Brian
from Edmonton.

Jackie 2 step and
Brian, you have always treated me like
an Empress of Edmonton, you in turn
have my respect, but Jackie, please
leave your teeth in while you're here,
Thanks.

Edmonton - Jackie 2 Step and Brian, Thank you for your love and understanding and I hope that
you have a great year.

EDMONTON: Jackie, your especially fun, lets party soon.

EDMONTON Jackie Two-Step and Brian It was a pleasure meeting you.

HMISM Empress XXII Jackie 2 Step - Girl what can I say.
You are definitely a person of quality and class. Which one we
do not know. It is always great to see your face in a ballroom.
You go girl, but please keep the teeth in. Thank you very much
for the chats and all the hospitality that you have bestowed on
me. Love you!

HMISM Emperor XXII Regent Brian- It is definitely hard to
keep up with the old girl, but you do a great job. I have known
the two of you for a few years now, and it is always great to see
you. Thanks again for the talks.

Edmonton:
& Brian, what a blast everywhere we went. Hawaii was
great and Jackie, you can get me in the ocean in a grass
skirt anytime!

EDMONTON: Jackie & Brian... I'm glad to
have met you, see you soon.

Jackie & Brian... you two are doing a wonderful job for your city and look forward to seeing you.

Jackie and Brian - I don't even know where to begin. The cocktails, the late night meals (thank God
for Keegan's), the errands, the words of encouragement! But most of all, the love and friendship!!
Brian - I can never thank you enough for every time I was in a dress ... you really made me feel like
an Empress. Thank you so very much for that, and most of all for your part in making the last part
of my evening possible. I love you both dearly. XOXO

THE SONG OF THE WILD ROSE FAIRY

I am the queen whom everybody knows;
 I am the English Rose;
 As light and free as any Jenny Wren,
 As dear to Englishmen;
 As joyous as a Robin Redbreast's tune,
 I scent the air of June;
 My buds are rosy as a baby's cheek;
 I have one word to speak,
 One word which is my secret and my song,
